

The Princess Workshop

*This is a workshop that will help you discover the things in your life that make it special and meaningful and give you the keys to finding joy in your life. It is like no other workshop that you may have attended. You will not only feel like a Princess, but leave feeling good about your life. Bring a girl friend or two and discover what it is all about. Leave feeling joyful, happy and connected to a new group of ladies. Refreshments will be served. **Take a chance & attend, you won't regret it!***
